JMF to be featured in September issue of ZOONOOZ Magazine

Look in the September issue of the San Diego Zoo's ZOONOOZ magazine for a feature article titled "Celebrating 20 Years of Support" that highlights the Jarrett Meeker Foundation's 20th anniversary. Written by board member Kristina Velarde, the article describes JMF's early years, the variety of programs the Foundation has created and supported over the years in conjunction with the Zoo and Wild Animal Park, and how JMF plans to grow in the future.

Zoological Society members will receive their copy in the mail. Non-members interested in receiving ZOONOOZ should contact the Zoo's Membership department online at http://www.sandiegozoo.org/membership/member_questions.html or via telephone Monday-Friday at (877) 3MEMBER.
